VALUES

- We value all children and families.
- We value learning, loving and laughter.
- We value that all children are competent, capable and rich in potential.
- We value innovative approaches to education.
- We value open communication.
- We value teamwork, recognizing the unique contributions of all individuals.
- We value educators who are qualified and highly skilled.
- We value collaboration throughout the community.
- We value early intervention and inclusion for all children.
- We value learning through play in a variety of environments.

VISION To nurture Muskoka children and families to be strong, healthy, resilient and reach their full potential.

MISSION Muskoka Family Focus and Children's Place is dedicated to providing high quality evidence-based child and family supports and education in an affordable, accessible, flexible and safe learning environment.

Maintain
Financial
Sustainability

Continue to be a
community leader in
licensed child care and
family services
supports

Enhance the
capacity of
the organization

Maintain relevant and
progressive programming

DIRECTIONS
